

SCC Student One Card Program OPT-OUT FORM

Unless notified before September 1st, your child will automatically be enrolled in the Student One Card Program with the Hazel Mackin Community Library at the beginning of the school year.

If you opt-out after September 1st, **you will need to contact the Hazel Mackin Community Library so they can deactivate your student's card.** If your child has accrued overdue fines or fees prior to deactivation, you will still be responsible for those charges. Any fines or fees must be resolved directly with the Hazel Mackin Community Library. SCC is not able to take payments on behalf of the Hazel Mackin Community Library.

The Student One Card Program allows SCC elementary students to...

- Borrow up to 5 items from any **MORE Consortium Member Library** location.*
- Request books from partner libraries, including academic collections.
- Learn foreign language or English language for free online.
- Use public library computers at any of the 52 MORE libraries with computers.
- Use and download eBooks and other electronic resources 24/7 via the Hazel Mackin Community Library website.

Parents are responsible for their children's use of library resources.

*If you want your child to have continued access to online resources without the option to check out materials, *visit the Hazel Mackin Community Library to have your child's card changed to online resources only.*

Deactivating or changing your child's One Card has no effect on any other account you or your child may have with the Hazel Mackin Community Library.

I do not want my child's Student ID to be made available for use as a Hazel Mackin Community Library (HMCL) card. I understand that if this form is submitted after September 1, I must contact HMCL to have my student's One Card deactivated and that I remain responsible for any fines or fees accrued on my student's One Card prior to deactivation.

Student's Name (please print): _____ D.O.B. ___/___/___
